

The Irie

The Irie are a fast-rising reggae-pop band known for their vibrant sound and high-energy performances. They first broke through with their 2021 EP Can't Get Enough, which landed on Billboard and Apple Music charts, and have since completed multiple national tours, a Mexico run, and mainstage festival appearances. In 2025, their single Sunday Afternoon earned the Hollywood Independent Music Award for Best Reggae Song, cementing their place as one of the genre's most exciting new voices. With fresh collaborations featuring The Elovaters and Katastro, The Irie continue to expand their reach and bring feel-good island vibes to fans across the country.
